SYRAH

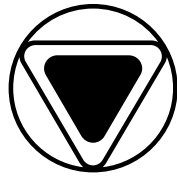

HAWKE'S BAY • WINE OF NEW ZEALAND

"Rich flavors of plum and blackberry, with a hint of peppery spice. A palate of sweet, spiced fruit and ripe tannins are supported by juicy acidity, for a lengthy finish. Enjoy with a barbecued steak, grilled venison or an aged cheddar."

WINEMAKING NOTES

After harvest at optimum ripeness, grapes were destemmed then fermented in closed top stainless steel tanks, with gentle maceration via rummage and pump-overs to extract colour and tannins. Inoculated with cultivated yeasts to promote fruit aromatics, the wine was also co-inoculated for malolactic fermentation during primary, which further enhances its fruit forwardness. Only a small proportion of oak is used to highlight aromatics and provide extra richness to the palate. This wine is bottled early to capture its vibrancy.
